WIFE, SHOT AFTER QUARREL. SAYS IT WAS AN ACCIDENT.

Mrs. John Pasomen Dies From Her Wounds, and Her Husband Attempts to Kill Himself.

John Pasomen, a laborer, shot his wife through the chest at their home. No. 428A North Sixth street, East St. Louis, Tuesday night. He used a 38-caliber Winchester rifle, and then turned the weapon on himbut only inflicted a slight scalp wound. At the police station yesterday he de-clared that the shooting was accidental, but that when he saw that he had fatally wounded his wife he tried to kill himself. Doctor J. E. terday that she had told him that the shooting was accidental. The inquest will be held by Deputy Coroner George Brichler at Domhoff's morgue this morning.

The shooting followed a quarred the couple had over Pasomen's fondness for beer. He says that he came home intoxicated and went for more beer, and that his wife objected. This caused the quarrel. An hour later, he says, he went to the kitchen and took down his rifle, intending to clean and took down his rifle, intending to clean and oil it. He did not know that it was loaded, he said, and carried it into the bedroom. While handling it, the weapon exploded and the builet struck his wife over the heart.

As soon as he saw that his wife was wounded. Pasomen says, he tried to shoot himself, but the weapon was too long, and he could not turn it upon himself. He inflicted only a slight scalp wound and then called a neighbor. Doctor State was summoned.

Doctor State accepted the man's story Doctor State accepted the man's story about the shooting and did not notify the police. Later in the night he was called again. The woman died.

The police were notified of the shooting by neighbors shortly before 7 o'clock yesterday morning. Sergeant James Cooney investigated the affair. Doctor State had possession of the rifle, which he said he had taken in security for his bill for services.

Pasomen was arrested and told the same etory, which he stuck to all day. The three children of the couple, the oldest a girl 3 years of age, were taken to Belleville yes-terday afternoon to be committed to the County Farm. They were in an adjoining room at the time of the shooting.

The preliminary hearing of John Eliman of St. Louis, who is charged with receiving goods from Gerstel, after the filling of the petition in bankruptcy, with intent to defaud the creditors, was conducted to-day before United States Commissioner T. W. S. Kidd, and after the entire day was consumed in hearing the evidence and arguments of the attorneys, he was bound over in bonds of \$1.000 to await the action of the Federal Grand Jury at Cairo, which convenes the first Monday in March.

L. E. Shaeffer, trustee of the bankrupt estate, testified that he saw Ellman and Mrs. Gerstel together at the sale when the bankrupt stock of goods was sold to Ellman and that the bankrupt gave the signs of bidding to the defendant.

Mrs. Rosa Sheir, a domestic in the Gerstel family, reiterated the story that she had heard the plot discussed by Ellman and Mrs. Gerstel in which it was agreed that the former should buy in the stock with the bankrupt's money.

Belleville Jailer Discovers That Whisky Is Sold Prisoners and Gullty Ones Are Fined.

Thomas Enright, an inmate of the St. Clair County Jall at Belleville, and Russell Schooler, a negro, for the last three months have been selling liquor to the female inmates of the County Jall. The liquor was smuggled in a window in the female quarter of the Jall to Enright, who was a trusty. He disposed of it to the prisoners who had the money and the desire to imite. Both were heavily fined yesterday afternoon.

sind the tactles employed by them to conceal their work.

In reviewing the case the Judge pointed out that the business of the Gerstels had been in a flourishing condition until within a short time of the filing of the involuntary petition by the St. Louis creditors of the concern. On January 1, 1902, the stock inventory showed \$18,000.

During the next six months the purchases made by the store were \$22,714 and the amount paid to the wholesale firms was \$20,725, showing that the business was running evenly and without any great loss. However, after July 1, new methods seem to have been adopted by the store, goods being bought in the East and very small payments made on them. At the time of adjudication of the bankrupt estate the looks showed that the Gerstels had purchased from the wholesale houses amounting to \$30,642, for which they had paid only \$8,088.

Hinroe and Gilleather Braw.

Hot Springs, Ark., Feb. II.—George Munroe and Tommy Giffenther fought a twenty-round go to-night before the Wnithington Park Club.

Until the close of the battle it looked very much like Munroe had the Frisco lad at his mercy, but a strong finish on the part of Gilfeather saved him from losing the battle. PAINTER KILLED BY TRAIN. Henry Hahn Run Down at Ecoff

and Manchester. And Manchester.

Henry Hahn, a painter, 55 years old, was ren down by a Missouri Pacific freight train on Manchester avenue, near Ecoff street, at 7:30 last night, and instaniy killed. Hehn was on his way to his boardinghouse, No. 6919 Bradley avenue, and attempted to cross the tracks in front of the train. He had in his hand a can of paint which he had purchased from a near-by store to take home with him.

Chronic Sores Eating Ulcers, A Constant Drain Upon the System

And a source of worry, anxiety and endless trouble to those who are afflicted with them, particularly so when located upon the lower extremities where the circulation is weak and sluggish. A gangrenous eating ulcer upon the leg is a frightful sight, and as the poison burrows deeper and deeper into the tissue beneath and the sore continues to spread, one can almost see the flesh melting away and feel the strength going out with the sickening discharges. Great running sores and deep offensive ulcers often develop from a simple boil, swollen gland, bruise or pimple and are a threatening danger always, because while all such sores are not cancerous, a great many are, and this should make you suspicious of all chronic slow-healing ulcers and sores, particularly if cancer runs in your family. Face sores are common and cause the greatest annoyance because they are

so persistent and unsightly and detract from one's appearance.

Middle aged and old people and those whose blood is contaminated and tainted with the germs and poison of malaria or some previous sickness, or excessive use of mercury, are the chief sufferers from chronic sores and ulcers. While the blood remains in this unhealthy, polluted condition healing is simply impossible and the sore will continue to grow and spread in spite of washes and salves or any superficial or surface treatment, for the sore is but the outward sign of some constitutional disorder, a bad Valdosta, Ga., September, 1900.
Swift Specific Co., Atlanta, Ga.
Dear Sire:—Something like a risingcame on my instep, very small atfirst, not at all painful, but as itgrew larger and began to pain me I
consulted a doctor, but in spite of
all he could do the sore got worse
and began to discharge; then other
sores came until the whole top of
my feet was one large mass of soreand I could not walk. Then my husband, who had been cured of Scrofula by the use of S. S., said he
believed it would cure me. I began
taking it and eight bottles cured
me; my feet healed up nicely. I believe I would have been a cripple

condition of the blood and system, which local remdies cannot cure. S. S. S. reaches these old chronic sores through the blood. It goes to the very root of the trouble and counteracts and removes from the blood all the impurities and poisons, and gradually builds up the entire system and strengthens the sluggish circulation, and when the blood has been purified

and the system purged of all morbid, unhealthy matter the healing process begins, and the eating ulcer or chronic sore is soon entirely gone.
S. S. S. contains no mineral or poison-

blood purifier and tonic combined and a safe and permanent cure for chronic sores and ulcers. If you have a slow-healing sore of any kind, large or small, write us about it, and our physicians will advise you without charge. Book on Blood and Skin Diseases free.
